

Harmonises, unifies and balances different-coloured areas. Protects and soothes the skin. This outstanding natural makeup provides the skin a uniform colour enabling it to breathe comfortably. Ideal unifying action for problematic complexions or skins that react to other cosmetics.

Its exclusively natural pigments do not harm the skin and simultaneously harmonise tone and provide exceptional suppleness.

Ingredients and their richness

Aqua, Cananga odorata flower oil · Lavandula latifolia herb extract and Helianthus annuus seed oil · Kaolin · Sesamum indicum seed oil · Titanium dioxide · Butyrospermum parkii butter · Mica (and) Iron oxides · Glycyrrhiza glabra root extract · Lecithin · Lavandula latifolia herb extract · Papaver rhoeas petal extract · Hectorite · Phyllostachys viridis · Bambusa arundinacea stem extract · Mica (and) Iron oxides (and) Titanium dioxide · Sorbic acid · Parfum · Tocopherol · Lactic acid

The following contents enhance the properties of this product: **Natural clays** absorb skin impurities, soothing, detoxifying and providing a beautiful colour, and letting the skin breathe comfortably; **Karite butter** is protective and moisturising, providing unsaturated lipids with an emollient effect that relieves dry skin and improves its elasticity and suppleness; **Sesame oil** is rich in unsaturated fatty acids and also protects the skin from solar radiation; **Lavender and Benzoin** have soothing and de-stressing effects; **Poppy** is rich in emollient mucilages. Also enhanced with **Bamboo shoot and stem extracts**, providing amino acids (proteins), vitamins and trace elements like silicon, which strengthens tissues and increases their flexibility.

Phyto-therapy action is in synergy with **Natural essential oils**, which protect and tone the skin and have invigorating and revitalising properties.

Dermocosmetic functions

- ✦ Prolonged skin **hydration and nourishment** thanks to its richness in essential fatty acids.
- ✦ **Harmonises** skin, unifying and enhancing its tone. **Unifies** skin blemishes.
- ✦ **Natural non-aggressive makeup**. Lets skin breathe and provides elasticity.
- ✦ **Protects skin**, improving flexibility and resilience.

Indications

For all skin types

Ideal for skin with a history of allergy to other cosmetics

Protects against aggressive external agents (humidity, sun, cold)

Skin with couperosis and highly sensitive to temperature changes

Efficient support for acne-prone skins, redness...

Great travel companion, it provides resilience against environmental aggression

Directions for use

Always shake before use.

Apply uniformly and gently massage with a small sponge.

It can be used as many times as desired due to its strictly natural formulation.

Combine with a small dose of **Hydro-nourishing facial cream** or **Bioactive cream SPF6** to tone down its colour.

We recommend **Bamboo saps** for makeup removal.
