

Bamboo saps

True star of the Dulkamara beauty concept,
with top cleansing action and visible lifting effect

Intense multifunction complex extracted from plants, fruit and berries, it combines skin cleansing, purification, deep nourishment (mineralisation) and revitalisation, reinstating its natural smoothness and glow. Ideal for makeup removal, including the contour of the eyes.

Unique and unparalleled liquid product, the exceptional richness of its ingredients corrects blemishes, impurities, acne-prone skins, dilated pores, flaccidity, and premature ageing by favouring cell regeneration whilst visibly soothing, repairing, decongesting and smoothing the skin.

Extraordinarily rich in active ingredients, this biological complex is fully skin-friendly and for all skin types.

Ingredients and their richness

Aqua, Myrtus communis leaf oil · Vitis vinifera leaf extract, Malva sylvestris extract, Humulus lupulus extract, Crataegus oxyacantha extract, Thymus vulgaris flower/leaf extract, Elettaria cardamomum seed extract, Melilotus officinalis extract, Calendula officinalis flower extract, Plantago psyllium seed extract, Althaea officinalis root extract, Rosa centifolia flower extract, Fucus vesiculosus extract · Iris florentina root extract · Parfum · Pimpinella anisum seed extract · Phyllostachys viridis · Bambusa arundinacea stem extract · Arbutus unedo fruit extract · Viola odorata flower/leaf extract

Myrtle, **White hawthorn** and **Mallow** extracts are exceptional soothing and decongesting agents; **Rose** and **Iris** extracts have regenerating and smoothing properties; and **Cane apple** and **Violet** extracts incorporate purifying and anti-blemish functions. Also enriched with **Bamboo shoot and stem** extracts, which stimulate toxin and impurity drainage and are a source of trace elements, like **silicon**, which strengthens tissues and increases their flexibility.

Active, bio-disposable, totally skin-friendly ingredients: flavonoids, tannins, essential amino acids, group-B vitamins, trace elements, and mineral salts are indispensable for the cell regeneration process and its restorative action. True "building blocks" for the skin.

Natural essential oils and their decongesting properties are soothing for the skin. Big beauty plus.

Dermocosmetic functions

- Gentle, efficient and non-aggressive **make-up remover and deep cleanser**, it confers the skin an ultra-smooth feel as well as balanced **nourishment and remineralisation**.
- **Moisturises, nourishes and remineralises** the skin and favours **epidermis renewal**, achieving a softer, more homogenous complexion.
- Flavonoids **revitalise and protect** skin by enhancing tissue regeneration and protecting it from environmental aggression. The high concentration of tannins and mucilages conveys powerful **antioxidant** effects, enhancing skin tone and suppleness.

Result: Skin is more hydrated, supple, vital, smooth, luminous... all in all, younger-looking and more beautiful

Indications

For all skin types
Dilated pores, impurities, and blemishes
Flaccid and/or prematurely aged skin
Special support for acne-prone skins (can be applied to spots as a lotion)
After waxing
After dermatological surgery

Directions for use

Always shake before use.

Pour a few drops on a cotton disk and apply on face –including contour of the eyes, neck and neckline– pressing slightly and applying with gentle circular movements. Do not rub to avoid irritations and flaking skin. Do not remove and let it act for complete nourishing action. If used for make-up removal, reapply.

Apply preferably at nighttime and while relaxed for thorough daily cleansing. Reapply in the morning for oily or blemished skins.

Bamboo saps are the "master key" that prepare skin for the benefits of other products.
