

Bamboo virginal milk

Immediate benefits and well-being

This soothing vegetable lotion refreshes, relaxes, oxygenates, and soothes the skin, leaving a velvety and replenished sensation. Great vitamin input ("morning fruit juice"). Relief for sensitive, tired, irritated, dehydrated, and tense complexions, skin with couperosis, bags and puffy eyelids. Perfect to start the day off or whenever skin feels fatigued from long working days, artificial light exposure, computer use, travel, pollution...

With a strictly organic formulation, this fast-action lotion is recommended for all skin types and features surprising skin hydration, purification and soothing properties.

Unique sensations filled with fruit and flower scents.

Ingredients and their richness

Aqua, Phyllostachys viridis, Bambusa arundinacea stem extract · Styrox benzoin resin extract · Myroxylon balsamum balsam extract · Centaurea cyanus flower extract · Dipteryx odorata bean extract · Viola odorata flower/leaf extract · Parfum · Limonene*
(*from its natural essential oils)

Benzoin extract is soothing and has anti-infective properties; **Cornflower** has antiseptic, conditioning and soothing properties; and **Violet**, whose exceptional purifying and smoothing effects help maintain a uniform complexion. Also enhanced with **Bamboo shoot and stem extracts**, providing amino acids (proteins), vitamins and trace elements, like silicon, which strengthens tissues and increases their flexibility.

They are enhanced with the action of its **Natural essential oils**, selected for their relaxing, smoothing and harmonising properties.

Dermocosmetic functions

- ✦ **Purifies, moisturises and respects the pH of the skin**, providing smoothness and freshness, easily and effectively penetrating to the deepest layers of the skin. It nourishes with water-soluble vitamins from groups B and C.
- ✦ **Oxygenates and enhances complexion beauty** whilst greatly nourishing the cells.
- ✦ **Relieves and relaxes the skin**, toning and enhancing elasticity. It calms and relieves the contour of the eyes. It mitigates skin irritations and reddening, especially after prolonged exposure to the sun.

Indications

For all skin types

Special care of fine or sensitive complexions, and/or skin with couperosis

Recommended after bathing newborns and children

Apply after the **Skin mask** or the **Bamboo vegetable peel** to relax and purify the skin

Relieves contour of the eyes and puffy morning eyelids

Efficient support for skins prone to redness, itching...

A true must before and after travelling to deal effectively with pressure and weather changes (aircraft cockpits, ships, mountaineering...)

Directions for use

Always shake before use.

Apply in the morning. Spray on or pour over a cotton disk. Apply with gentle strokes or slight circular movements.

At any time of the day, if your skin feels taut or tired, when there are sudden temperature changes or after a long day in front of the computer or under artificial light.

Place a cotton disk soaked in the product for a few minutes on swollen eyelids for fast relief.

Apply directly with the hands or a sponge for the daily hygiene of children.

It can be used before applying any **Dulkamara bamboo cream**. For best results, do it while the skin is still wet from the Bamboo virginal milk.

Combining Bamboo virginal milk with **Revitalising oil** is an extremely moisturising mixture that maximises suppleness and their rejuvenating effect. Recommended on cold mornings and for the contour of the eyes.
